"Our Menu #1 is perfect for morning or afternoon receptions, while our Menu #2 works great for mid-day or evening. If you want to serve meal-sized portions, the Menu #3 is hearty and has great variety! From casual to dressy, we keep your budget in mind and bring "drama free" catering to you.

These are samples only so we can let you know what we do, but I'll be happy to meet with you to plan YOUR perfect menu."
